

Lamp Specification

Customer: _____

Customer Ref: **GEW 24895**

Primarc Part No. **PM 3828**

Power	5.04 kW 140 W/cm
Operating Voltage	Proprietary Information
Operating Current	Proprietary Information
Spectral Output	MERCURY
Guaranteed UV Life	1500 hour guarantee
Arc Length	34.2cm.
Effective Drying Width	Determined by OEM
Lead Lengths	110 / 110mm
Termination Type	Takbro 2-5
Approx Mercury content	<1g.
End Cap Material	CERAMIC

Recommended Running Temperatures	
Lead-Out Cable	Less than 250°C
Electrode Seal / End Fitting	Less than 250°C
Lamp Body	600-800°C
